

**Since 1984, The Saint Paul
& Ramsey County
Domestic Abuse Project
(SPIP) has:**

- ❖ Provided culturally and linguistically appropriate advocacy, crisis intervention, legal services, and support to victims of domestic abuse
- ❖ Facilitated the systems' response to domestic violence
- ❖ Provided education, prevention and outreach to victims of domestic abuse and the community at large
- ❖ Cultivated a community-wide response to end domestic violence

Who We Are

SPIP is a non-profit, community-based organization founded in 1984 to assist victims of domestic violence.

About Us

We believe that every victim has the right to be safe in their own homes and neighborhoods and receive the critical help, services, and resources they and their children need to move forward and live free from violence.

Shaping a Future Free from Violence

Our Staff

We strive to ensure that diverse, multi-lingual, and culturally based programming is delivered by staff who intimately understand the culture, lifestyles, and realities of the people we intend to serve.

Dear SPIP Advocates,

Thank you (all of you) for helping protect my babies and myself. You were the sunlight in my darkest hours... My breath when I could not breathe.

-Victim/Survivor

Our strong partnerships with community-based and government agencies have an enormous impact on victims' and their children's safety, abusive persons' accountability and opportunities to change, and the way our community responds to domestic violence.
